"They dunt 'arf like their bottles oop in the Norf East!!"

BBR's 2nd Bowburn 'On the Road' proved not only better than last years, but overall best so far of all yet undertaken.... going from strength to strength.

Fresh faces in the hurly burly hectic mad rush at opening, the day rounded off with a swiftly conducted auction - ably assisted by young Bethany and a crew of stalwart runners/ helpers! Top of the pots was the Covell 'Gallant Foe' impressed g.b., which despite 'rumours' it was damaged (cunning plan by someone to try to get it cheaply?), it was contested to £280. Both the aqua Consett pictorial hamilton & the blue transferred Newbiggin by the Sea g.b. made £177 respectively. The all white Jarrow on Tyne t.t., std, g.b. fetched £155, & the Evertons clear glass syphon (minus top) £65. Many cheaper & bargain buys, rounded off with the 'Star lot' B61 - £84.96 - no ideas what was found in there tho'?
