Sale total: **£52,590**

So good to be back!

A welcome return to what used to be BBR's flagship specialist sale category years ago - with a lavish full colour A4 catalogue, rapturously received by all.

A full house with many new faces - all absorbing (?) the usual BBR/ AB saleroom good banter, giving a relaxed, but entertaining, sale with all the usual ups & downs, & surprises aplenty.

A manageable 300+ lots were topped by the splendid Fry's figure @ £4,250 (inc. add ons) & many excellent realisations in all the categories - slate signs especially flew, but quality always attracts enormous interest. Already taking entries for our next, similar....

Two Advertising sales next year!

Consignments, & promises of material already for next year. We're currently trying to fix **TWO** specific dates - an already busy Fairs & Auctions calendar. Watch *BBR website: www.onlinebbr.com*.

NEW online bidding platform & NEW couriers.

We move to **easyLiveAuctions** for our next sale online bidding - potentially cheaper if you choose the pay £3 & no commission option, **plus** all round increased efficiency after sales benefits for both buyers & vendor pay-outs.

BBR has also negotiated a new courier contract enabling lower postal charges for most - all win win scenarios.
