**The new (unfinished) saleroom went down very, very well, and the tortoise (last lot) came first!**

Although we had long planned to have the new saleroom "by the red 'phone box" fully refurbished & up & running we, sadly, could not get everything done given the interminable delays!  
 Nevertheless, the saleroom part itself was carpetted, & heated, giving customers a comfortable new venue, with tea & coffee making facilities on hand too - even chairs & tables at the back, with a comfy settee!  
 Most items found their level, irrespective of the come & buy me estimates. Tortoise made £3,540, Cornishware found its level/ chasers, as did the typewriters and sewing machines.  
 We're already planning next years 'Winter Wonders' - watch BBR website ([www.onlinebbr.com](http://www.onlinebbr.com)) for upcoming dates - especially for when we move into the new saleroom fully in the New Year.
